BESCHREIBUNG

If you need an office only for a short period, for example to conduct a job interview or for coaching,

our day office is the ideal solution for you. This is an office you can rent by hour or by day and, if desired, also with our office sharing option, which includes your own safe storage space for your documents and papers.

Whether you rent the conference room for a one-week training session, the meeting room for negotiations with customers or the day office for concentrated work - all rooms have one thing in common: our team will extend a friendly welcome to you and your guests, they will place a door sign pointing to your company, provide conference beverages and organize individual catering according to your wishes. We will also be glad to support your event with our professional administrative services.

Bei Spacebase wird jeder Workshop von einem unserer Experten betreut, der dir dabei hilft, deine Idee umzusetzen. Wenn du schon vorher Hilfe benötigst, kontaktiere uns gerne. Falls Du Hilfe benötigst, setze Dich bitte mit uns in Verbindung:
