DESCRIPTION

In a more than 100-year-old factory, close to the Friedrichstrasse in Berlin-Wedding, you can find this industrial-style event location. Charming furnished lofts with different styles are available for unforgettable events. The location can be reached by S-Bahn (S9, S41, S42, S45, S46) via the station Berlin-Wedding.

The Classroom loft, as the name suggests, is furnished with many objects from old classrooms. These include globes, old school chairs but also special details, like the bars' floor, that comes from a former school-gym and is re-used here again.

The loft has a size of 152 square meters and has also separate bar. You could have a seminar or host a workshop in this space for up to 60 people. For receptions or smaller celebrations such as your company party, the loft offers room for up to 100 people. Rent this space as a unique workshop or training room and meet in the loft's unique atmosphere.

We principally provide full-service offers including catering food & beverage, AV and personnel.

Due to organisational reasons we are currently unable to accept requests for wedding and private parties.

At Spacebase, every workshop gets matched to one of our experts who'll help bring your idea to life. If you need help please get in touch:
