DESCRIPTION

Our room will be set-up individually based on your needs. Depending on how you want to use the space we will either set it up with a large table for up to 12 people (just ask if you need more), a smaller table with up to 6 chairs or simply a few bistro tables. An absolute highlight is the huge white board wall: you can spread your creative ideas across the space measuring 4,5 m wide x 1,75 m high! We provide the special pens. We also have 6 original clips to attach your posters or flip charts (A1) to the wall. Further you can use all the creative material like flipcharts, pinnboards, moderation cards, pens and tinker material for free. And in your breaks you can relax on our rooftop terrace or in

our pool area.

Outside of office hours (8am to 6pm) a 50% surcharge applies.

At Spacebase, every workshop gets matched to one of our experts who'll help bring your idea to life. If you need help please get in touch:
