DESCRIPTION

Are you looking for a high-quality yet affordable workshop or conference space for smaller teams in Berlin? You may have found it!

Located in the heart of Kreuzberg's vibrant Graefekiez our space offers the perfect venue for meetings, strategic workshops, seminars and the like.

We provide a combination of three rooms in which up to 8 persons can work:

- the first area consists of a massive conference table (1,1m x 2m, made from oak) with 8 chairs and a whiteboard with colored pens. There's also a 55" flat screen TV that can be moved around easily and shows your presentation in crisp 4K
- the second area offers a standing desk (ca. 6 persons or 4 laptops), an armchair and an unrollable flip chart, also with colored pens.
- in the third area you can relax on the comfortable couch and discuss topics in a less formal manner in front of a coffee table with a detachable tray.
- of course we have some post-its, flashcards, pens etc. laying around for you

The facilities are shone by a combination of charming industrial and retro lamps, which offer different levels of illumination for a variety of light concepts that match any mood and daytime.

Most of our furniture are unique craftsmen's pieces. In combination they make a high-valuable workshop space which enables productive and creative results beyond the routine that sometimes slips into your own conference rooms.

Of course the use of our rooms includes the toilets (2, divided into m/f) and the kitchen, coffee and tea is free for you. The vivid neighborhood offers numerous restaurants and bars for all tastes and wallets. The U-Bahn Schönleinstraße (U8) is a minute walk, Kottbusser Tor (U1, U8) and Hermannplatz (U7, U8) are each a ten minute walk away.

At Spacebase, every workshop gets matched to one of our experts who'll help bring your idea to life. If you need help please get in touch:
