## DESCRIPTION

Bouldering has extremely grown in popularity over the past few years. This location offers a private room for workshops and events with the possibility for booking a private bouldering trainer.

The bouldering gym has the size of approx. 1200 sqm and consists of two levels. The first floor contains the vast and bright bouldering area. The counter and bistro area are on the ground floor. The bouldering gym also offers a big garden. The workshop room contains all facilities that are needed to work productively such as flip charts and projectors.

Bouldering trainers can be booked. Overcoming challenges, finding solutions and being proud of successes form a great part of bouldering. Our trainers support your group for great first bouldering experiences. The price for private trainings hours is 19€ p.p. for at least 6 participants.

The lunch can be taken next door at the Naumannküche (<https://www.naumannkueche.de>). Catering is also possible or Pizza directly on site.

At Spacebase, every workshop gets matched to one of our experts who'll help bring your idea to life. If you need help please get in touch:
