DESCRIPTION

Welcome to our workshop garage. On the 1st floor of our start-up office in Muskauer Straße we offer several meeting rooms for hourly or daily rent.

The workshop garage is perfect for teams that need to brainstorm and be creative.

When you book this meeting room in Berlin you have access to a simple equipped kitchen where you can help yourself to some drinks and snacks. Water is included in the booking, if you wish for any added drinks such as coffee or cold refreshments you are more than welcome to book them for a small extra charge.

The room is located in a quiet part of the building and just 5 minutes by foot from Görlitzer Bahnhof on the U1 and U3. Kottbusser Tor on the U8 and the Ostbahnhof are also a few minutes stroll away.

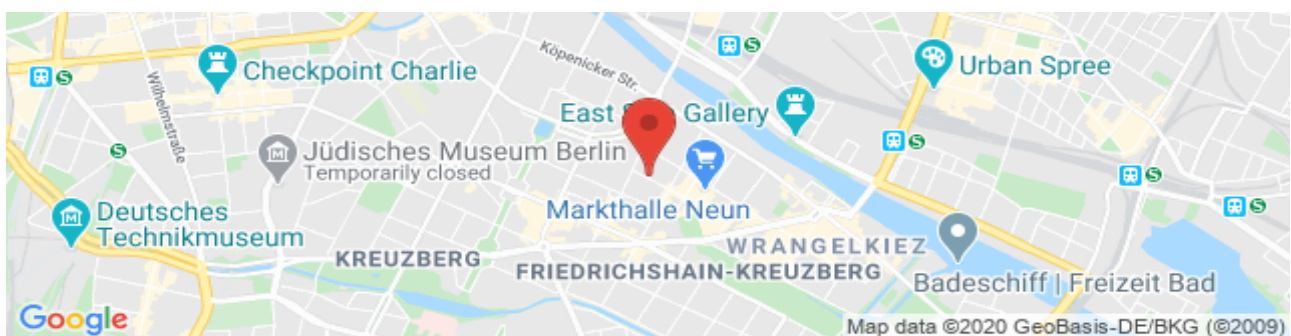

Just like you, we are interested in making your planned event / meeting as safe as possible in our facilities and together with you and your participants we will make it happen.

All premises, all public areas and all light switches, door and window handles are disinfected at regular intervals. In addition, our premises are equipped with disinfection spray and paper towels if you wish to wipe the surfaces yourself as well.

On your arrival you and your guests can disinfect your hands with our hand disinfectant at the reception. Also sufficient soap and paper towels are available in the bathroom. We kindly ask you to wear a mask in our public areas (sitting area, corridor and reception).

We are looking forward to welcoming you at the Spacebase Campus in compliance with the new measures to fight the Corona Virus.
