possible

DESCRIPTION

Since its founding at the end of 2012 by the two brothers Erez and Guy Galonska, the project has grown in complexity and size.

This venue is considered a hybrid of a research laboratory, an indoor farm and a culinary event location. Not far from Görlitzer Park you can reach here via the Station Görlitzer Bahnhof with the Subway U1.

The 310 m2 space can accommodate all kinds of events. Use the unique atmosphere and enjoy locally grown plants and vegetables. Rent the restaurant as an unique training or meeting room or simply as a unique venue for special occasions.

At Spacebase, every workshop gets matched to one of our experts who'll help bring your idea to life. If you need help please get in touch:
